About The New Stamp Taxes.

TREASURY DEPARTMENT, OFFICE OF COMMISSIONER OF INTERNAL REVENUE, WASHINGTON, D. C., June 18, 1898.

To Collectors of Internal Revenue:—The revenue act of June 13, 1898, providing stamp taxes on the documents, articles and things enumerated in schedules A and B of said act, becomes operative as to such taxes on and after July 1, 1898. In view of the public demand for information relative to the method of procuring, affixing, and cancelling said stamps, the following instructions are furnished, with the request that you give the same the widest publicity possible.

Adhesive stamps of the following denominations will be supplied collectors before July 1, 1898, for sale:

Documentary stamps under schedule A—1, 2, 3, 4, 5, 9, 25 and 50 cents; one, two, three, five, ten and fifty cents. Proprietary stamps—1, 2, 3, 4, 5, 9, 25 and 50 cents.

The stamps may be sold by any person, whether for use or resale, and when purchased in quantities of one hundred dollars or more in value at one time, a discount of one per cent is allowed. Whenever practicable but one stamp should be placed upon an instrument or article, where any one stamp will not denote the tax as few as possible should be affixed.

Proprietary stamps must be fixed conspicuously on the outside of the article or package, and, where practicable, so that the opening of the article or package will destroy the stamp. All such stamps must be plainly cancelled when affixed by writing, or imprinting with a hand stamp, the initials of the party or firm who paid the tax and the year when affixed.

Collectors should make orders at once for proprietary and documentary stamps in quantities, and of the denominations desired for a two-month's supply.

Stamps for checks and drafts will be imprinted upon the paper or instruments in the cities of New York, Chicago, St. Louis, Atlanta and San Francisco, and it is expected that such imprinted stamps will be ready for delivery before July 1. All orders for such stamps will be made through collectors and forwarded to the stamp agent at the place where such stamps are imprinted.

If necessary the 2-cent documentary stamp may be used on bank checks, drafts, etc.

Private dies for proprietary stamps will be prepared and furnished such proprietors as desire them and comply with the provisions of section 9 of the act of June 13, 1898. All designs for dies and applications for stamps must be submitted to this office through collectors. All engraving will be done by the government at the expense of the proprietors, and deposits to cover cost of dies, and the price of stamps, (not less than \$2,000 at one time) must be made before the stamps will be printed. Manufacturers of proprietary articles will be required to use general proprietary stamps until stamps can be furnished from their designs.

Collectors will retain applications for private dies and stamps therefrom until regulations prescribing methods and means of procuring same are issued. The regulations relative to the stamp provisions of the revenue act approved 13th, inst., will be issued and distributed in a few days.
